PROUD TO SERVE

Congratulations to two of our teaching staff who have been recognised with Pride of Workmanship Awards, presented by the Rotary Club of Pennant Hills on Tuesday 14 May 2013. Mr Christopher Raper and Mrs Jennifer Christensen received their plaques at the Annual Awards Dinner held to honour the 10 dedicated employees and community volunteers from across the district who were nominated by their managers to receive this prestigious award. With the motto of ‘Do it once, do it well,’ the Pride of Workmanship Awards seek to recognise people who show an exceptional level of pride in their work, demonstrated by a commitment to quality results first time, every time.

Following are excerpts from the citations submitted by Mr Wing when nominating Mrs Christensen and Mr Raper for Pride of Workmanship Awards.

Mrs Christensen is an enthusiastic and highly capable teacher and educational administrator, who works tirelessly to engage students in the study of Mathematics and to help them achieve at high levels. She is committed to the corporate life of the school and demonstrates this commitment through her work on the challenging and complex task of producing the school timetable. Mrs Christensen places strong emphasis on student wellbeing and has mentored many students formally as a Year Adviser and informally in her role as manager of the school’s student-operated Links Café. During her thirteen years of loyal service, Mrs Christensen has earned the respect of the entire school community for her dedication to the success of Pennant Hills High School, and truly exemplifies the principle of ‘Do it once, do it well.’

Mr Raper has held the position of teacher, Special Education at Pennant Hills High School since 2002. During this time he has demonstrated wholehearted commitment to improving the school experience for all students. Mr Raper is an exceptionally caring and involved teacher and mentor, who works very hard to ensure that students are secure, happy and engaged in meaningful and enjoyable learning experiences. He has made many significant contributions to the school, involving many hours of his extra work in the organisation and execution of programs such as large-scale working bees, operating camps and excursions and coaching sport teams. Mr Raper is the first to volunteer his services to help others, and his efforts have earned him enormous respect and admiration from students, parents and staff. Mr Raper takes great pride in doing a job well and is a worthy recipient of this award.

We applaud these two teachers who exemplify the level of commitment and care shown by staff in all areas of Pennant Hills High School.

DEPUTY PRINCIPAL’S REPORT

I would like to take this opportunity to thank the whole community for the warm welcome and to express my sheer pleasure and satisfaction at gaining the position of Deputy Principal at such a sought after and highly successful high school. My first impressions of the school from the ‘inside’ have confirmed my view that I have made the right choice. The school is extremely well run with a caring, efficient and knowledgeable staff and an enthusiastic student body keen to do their best and support each other in maintaining Pennant Hills High School’s reputation as a great place to be and learn.

My personal beliefs are that schools are places that provide the atmosphere to allow all students to display their talent and to feel the ‘glow’ of success in some endeavour. To this end, schools need to provide a broad range of experiences and provide multiple avenues to showcase their success. An engaged student is a happy one, leading to more success. I also recognise that the core of a school’s business is teaching and learning, with teacher skill and student participation essential ingredients of success. An education, good or bad, stays for a life time.

I look forward to interacting with the whole school community and doing my best to see that Pennant Hills High School continues to perform at the highest level and remains at the centre of the community delivering educational outcomes of great benefit to the individual and the community.

Brendan O’Byrne
Deputy Principal
