A wonderful evening of entertainment was enjoyed by all who attended the School Music Festival on Wednesday 17 June 2015. Congratulations to all our students in the school bands, choir and Year 12 soloists, as well as the bands from West Pennant Hills, Pennant Hills and Normanhurst West Public Schools.

The high standard of performances was testament not only to the talents of these young musicians, but also to their hard work and dedication and to the commitment demonstrated by their parents, caregivers and conductors in providing them with opportunities to pursue their musical aspirations.

A special thank you to the sound and lighting team, and to our comperes, Nicholas and Kimberley.

We would also like to acknowledge the following Year 12 students for their outstanding contribution to the bands and choir program over the past six years: Mia, Victoria, Alexander, Eamon, Declan, Jessica and Breanna.

### YEAR 9 TEXTILES TECHNOLOGY

Congratulations to our Year 9 Textiles Technology students who produced outstanding results in response to a design brief requiring them to create a contemporary cushion.

The creative ideas were implemented and the designer cushions constructed. The high quality of the finished projects showcased close attention to detail which was evident in each student’s work and designer’s supporting portfolio. Well done everyone.

### P&C Meeting Dates for 2015

- 25 August
- 27 October
- 24 November (followed by AGM)
  - 7.30pm in the School Library

All parents and caregivers are most welcome to attend these meetings, which provide the wider school community with a forum for discussion as we work together with staff to sustain and further develop the best possible learning environment for our students. The discussions are complemented by presentations from staff, focussing on various aspects of education and, in particular, what is on offer at Pennant Hills High School.
PRINCIPAL’S REPORT

Congratulations to all students who have applied themselves so well to their studies and curriculum enrichment activities during this very busy school term. I again remind all students and parents of the importance of ensuring academic studies take priority, and that a sensible school life/home life balance is maintained so that the required focus on school work is achieved.

Music to our Ears
Our annual School Music Festival was held last week and although it was a cold and rainy night, many people ventured out to enjoy a fantastic showcase of the vast talents of our students, supported by our dedicated teachers and conductors. Before presenting certificates of appreciation to the Year 12 music students, I commented that I believe music at our school is as strong at this moment as it has been at any stage during my time here. I must also compliment our choir, conducted by Rachel Kelly, for the amazing progress they have made since forming only twelve months ago. Congratulations to everyone involved with such a wonderful evening of entertainment.

Teachers Supporting Teachers
The Department of Education and Communities this year introduced a new process by which teachers are receiving increased support in their professional learning. All of our teachers, including those who are casual or temporary, are required to collaboratively develop professional goals and to identify the strategies and support they require to achieve those goals.

One of the phases in this important professional development plan involves teachers reflecting on their practice and gathering evidence of progress towards their professional goals. Direct observation of classroom practice is an important component of the process, and these observations are now being conducted by colleagues. During Term 3, your child may tell you that they have occasionally had two teachers in a lesson. This is part of the new process where teachers will work collegially to observe each other in the classroom. Together, participating teachers will undertake a pre-observation discussion and a post-observation reflection. This strategy aims to direct focus onto the continuous improvement of teaching and learning in order to achieve the best possible learning outcomes for our students.

Thank you for your efforts during this busy term. I wish you all a very safe and relaxing term break.
