THE GREAT PENNO RENO

Dates for your diary: Saturday 27th October and Sunday 28th October 2012

As you will all know by now the Pennant Hills High School P&C along with teacher Mr Chris Raper are hoping that all parents, students and staff will lend us a hand to rejuvenate/renovate/replant and generally give the grounds of the school a much needed makeover. There are four sessions available on either day of the weekend. We are hoping that everyone will make it to at least one session.

Please bring gloves, gardening tools, paint rollers, high pressure hoses, wheelbarrows, spades and shovels (everything you’ve bought from Bunnings but never used before).

By coming along:
✓ You will actively participate in upgrading our children’s environment
✓ Meet and chat with parents, students and teachers
✓ Generally feel that you and your children have contributed to the school community in a very positive manner.
✓ Enjoy a barbecue lunch and socialize with other volunteers

In other words – let’s all be proud parents, students and staff of Pennant Hills High School.

We understand if you cannot contribute your time on that weekend. However, we would appreciate a donation towards buying plants and materials. $20, for example, could buy four new, lush plants for the school.

Please complete the form below and return to the office by September 12 2012. More information about the sessions will be sent via email. By doing this your family enters the draw for a great family prize.
